I understand I am enrolling in a performance where attendance at rehearsals affects the group and the directors. All known absences should be written on this registration form. Missing a rehearsal for illness needs to be phoned to Deborah @ 920.1247. If a student has more than the allowed absences, the directors may diminish or replace their role.

1. If given a "major" role, only one excused studio rehearsal is allowed.
2. Only two excused studio rehearsals are allowed for all students.
3. Being more than ten minutes late to a rehearsal will be considered an absence.
4. No absences are allowed for stage rehearsals.
5. The dates of the performances are December 17 (fri) and December 18 (sat) in the Emerson Theater.

Any known dates out of town through December 18:
